SAM'S LIFE

A TRIBUTE TO SAM

Our Story of Love by Angeline,
read by David

You walked into the room
and my heart melted.
You smiled and I was on a cloud.
For around you I feel love
and love is forever.
You are my Sunday morning
chimes and sunshine.
You are my evenings in the garden.
My dreams my dancing and my laughter.
You are my walks in the park
and fun days.
You are my moments in the gym
with a sneaky little swim.
To me you are my inspiration
and strength to grow strong.
You are my beaches,
my sea and my sunsets.
You are coffees and cake
and eating together.
The story of our love is us
and our love makes me.

A PRAYER FOR SAMANTHA

read by Amabel

Heavenly father,

Thank you for Samantha.

We loved her.

We laughed with her,

cried with her,

had adventures with her,

and danced – oh, how we danced - with her.

Thank you for her life,

for the joy and love she showed us

in so many ways,

and for everything we share together.

Thank you for her sense of fun,

Her love of us all,

her love of animals

(except for the bullying pigeons
in her garden)

her lifelong love of Disney magic,

her enthusiasm for football,

her no nonsense approach to life,

and for her determination and strength,
particularly shown in the last six years.

We thank you that she can now rest.

We commend her into your loving arms

as she embarks on her next adventure.

Comfort us with your love until we can

join her in a happy, silly dance again.

Amen.
